

Office of Chief and Council Government of Siksika Nation

Cabinet Shuffle

A MOTION was MADE and SECONDED to approve the Cabinet Shuffle of Siksika Chief and Council as presented. To improve service delivery, communications and sharing of resources, council teams will act in a proactive approach with the intent is to minimize leaderships public interviews with Nation members concerning administrative matters. Letters from Nation members will be addressed at Council team meetings with Senior Management. The councillors are now chairs of the service areas that are under their name. Each council team will be the respective representatives for their teams service areas.
