URGENT NOTICE

Good Morning Cluny Residents:

RE: Sewer Line Break - Force Main

We urgently ask all residents to reduce the flushing of toilets immediately, stop all laundry and dishwashers etc. Community Water & Waste Water are dealing with a main sewer line break which affects the communities of Cluny townsite, Buffalo Rock, Southcamp, Crowfoot NTN's and Crowfoot School.

Comm. W & WW are working diligently on addressing this issue at this time; a company will be assisting PW with disposal of sewage.

This is in effect until further notice.

Thank you for your cooperation.

Ron Doore, Ind. W & WW Foreman
