

Community Engagement Policing Business Case

Siksika Nation is starting the process to develop a business case for a Police Service for the Nation. Your input is so valuable to us as we begin this journey, and your stories of experience will be captured (with your permission) as we move forward with this project. If you would be so kind as to provide us with your wisdom and knowledge to the following questions:

1. What are your concerns with crime, problems of concern and victimization on Siksika Nation? Please list as many as you wish.

2. Would you prefer Tribal Police from our Community, or RCMP Police?

____ Tribal Police

____ RCMP

Please Explain:

3. Do you think that Siksika Nation needs its own Police Service and why?

4. What services would you like the Police Service to conduct on Siksika Nation? Please list as many as you wish, including community involvement.
