Upcoming 1910 Referendum Sessions for Siksika Nation members

On November 3rd, 2021 Siksika Nation Chief and Council received Ministerial signoff on the proposed 1910 Global Settlement Agreement with the Government of Canada. This proposed agreement will include a number of information sessions designed to inform Siksika Nation members on the agreement and prepare them for the upcoming referendum in December.

Representatives from Chief and Council, the negotiation team and the Nations' legal counsel from Mandell Pinder will be on hand to present the information pertaining to the settlement beginning November 8th in Siksika. Moderators and interpreters have been retained to help facilitate the community information sessions.

In an effort to reach as many of its 7800 plus population who reside both on and off reserve, several information sessions have been scheduled throughout the month of November in Siksika, Calgary, Lethbridge, Edmonton and Browning, Montana. Additional meetings may be added as needed. **Please note that the information sessions are for Siksika Nation members only.** A list of the information session schedule is included below.

The 1910 Global Settlement Agreement will address the unlawful taking of approximately 115,000 acres of Siksika's lands in 1910 contrary to the requirements of the Indian Act and Canada's fiduciary duties to Siksika Nation. This historic agreement is the first of its kind for Canada and Siksika, and represents more than sixty years of effort made by Siksika Nation leadership and elders, past and present, to seek redress from the Crown.

Siksika Nation invites all Nation members to attend an information session near you. If you are unable to attend an in-person event please contact Siksika Nation Chief and Council for more information.
