

Employment Opportunities

Position: Technician – Environment
Service Area: Siksika Land Management
Location: Siksika Nation Tribal Administration
Salary: Based on Education and Experience
Date Posted: October 4, 2023
Closing Date: Until Position Filled
Competition Number: SLMEFT-01-10-03-23

POSITION SUMMARY:

The Field Technician will conduct field monitoring and compliance practices applicable to land, environment, water, and resource activities on Siksika lands. Assist in implementation and maintenance of land management related plans and applicable policies. Provide technical assistance in the development of an inventory data base of land use activities. Conduct field inspections of Siksika level, Indigenous Services Canada (ISC) permits, ISC leases and designated land and/or resource management activity. Investigate highway and boundary issues.

DUTIES & RESPONSIBILITIES: *Duties include but are not limited to:*

- Conduct field reconnaissance, data gathering and reporting on current and proposed land use activities and projects;
- Attend to and report on agricultural, grazing, residential, institutional, commercial, resource, and boundary and highway fencing issues in a timely manner;
- Review and assess proposed land use interest from Siksika members, administrative departments, entities, external companies, and contractors;
- Assist in actively reinforcing noncompliance of land, environment, water management and/or resource agreements and plans;

MINIMUM QUALIFICATIONS:

Required Knowledge, Skills, and Abilities

- Knowledge of area navigation equipment, maps, compass, Geographic Positioning System (GPS) and aerial photos.
- Ability to drive trucks and/or a variety of off-road vehicles in rough and remote terrain.
- Good organizational and prioritizing skills and self-motivation.
- Possess good problem-solving skills.
- Willingness to work in the field for extended periods of time.
- Ability to interact positively and exhibit diplomacy skills.
- Strive to build good working relationships with others.
- Excellent oral and written communication skills are essential.

Education and Experience

- Post-Secondary Certificate in Land Administration, Business Management, or related field required.
- Two years' experience in administrative support required.

Other:

- Valid Alberta Class 5 Driver's License.
- General knowledge of the Siksika Nation Culture and some ability to communicate in the Siksika Language.
