

Siksika Nation Tribal Administration **EMERGENCY MANAGEMENT**

National Public Alerting System Test

Just to give forewarning, on **November 19, 2025**, a test of the National Public Alerting System (NPAS) will be sent out in all provinces and territories over wireless networks, TV and radio. Canadians will receive a test message from their provincial or territorial government. Alberta Emergency Alert is slated to have a test at

1:55 MST. THIS IS ONLY A TEST!
