

Siksika Nation Tribal Administration

Housing Department

Basic Home Maintenance work-shop

Siksika housing hosts **four 2-day workshops a year** for nation members, to help future and present homeowners/tenants maintain and enjoy healthy homes. Completing this workshop is a requirement when applying for any housing accommodations with Siksika Housing Service Area.

Those who were registered for the December BHMW have already been registered, so there is no need to re-register. If any contact info has changed contact Housing Reception to update.

In these workshops attendees will learn:

- Small plumbing issues
- Small Electrical issues
- How to maintain home Appliances
- Maintain HVAC Systems
- Prevent mold
- Repair Drywall
- Tenant/Landlord responsibilities
- Relight a furnace/HWT
- Review the Siksika Housing Policy handbook

To sign up, Please Contact Sadey Black Horse (Office Clerk)
