

Siksika Nation Tribal Administration

Honouring Our Women!

"Our mothers, daughters, sisters, aunts, grandmothers, and matriarchs — we honour your leadership, and contributions."

Celebrate Siksika Women's Day with Us!

In honour of Siksika Women's Day, we are inviting all Siksika Nation members to help us celebrate the incredible women who uplift, inspire, and strengthen our community every day.

Do you know a Siksika woman who deserves recognition? A mother, grandmother, sister, daughter, auntie, leader, mentor, knowledge keeper, artist, educator, or friend who makes a difference?

We want to hear about her.

Send us your social media shout-out and briefly tell us why she should be recognized. Share her story, her impact, and what makes her so special to you and to our Nation.

Please include:

- A photo of the woman you are recognizing
- A briefly written tribute
- Your name and contact information

Submit your shout-out to: Communications@siksikanation.com

Selected submissions will be featured on our official platforms as we celebrate the amazing women of Siksika Nation.

Let's come together to honour the strength, resilience, leadership, and love of Siksika women.
