# **PUBLIC NOTICE**

## **2026 EMERGENCY PREPAREDNESS WEEK**

***Oki Siksika,***

Siksika Nation Emergency Management is observing Emergency Preparedness Week (May 3-9) to help our community stay safe and informed. We invite all Nation members to visit our information booth at the Siksika Nation Tribal Administration Building to learn more about our local emergency management efforts.

### **BOOTH SCHEDULE**

The information booth will be located in the lobby of the Tribal Administration Building throughout the week, with the Emergency Management Coordinator on-site to speak with members during the following scheduled hours:

- **Booth Duration:** Tuesday, May 5 – Friday, May 8, 2026
  - **EMC On-Site** (Tuesday, May 5): 9:00 AM – 4:00 PM
  - **EMC On-Site** (Friday, May 8): 11:00 AM – 4:00 PM

### **INFORMATIONAL TAKEAWAYS**

The booth will be stocked with resources for Nation members to take home. While the booth is active all week, the **EMC** will be present during the hours listed above to provide direct information and answer questions regarding:

- **Emergency Management Overview:** Familiarizing members with how the Nation prepares for and responds to emergencies.
- **Household Readiness:** Practical tips on building 72-hour kits and safeguarding your home.
- **Safety Handouts:** Take-home guides and checklists to help your family prepare for seasonal risks.
- **Stay Informed:** Information on how to receive official alerts and updates during a crisis.

**Preparation starts with you.** We encourage everyone to stop by the Tribal Administration building to pick up your informational materials and ensure your family is ready.

*"Preparedness is a shared responsibility. Let's protect our community together."*
