Community Shelterbelt Program | Corporate Planting Events

Siksika Nation Community Shelterbelt Program | Corporate Planting Events

Project Forest, in partnership with Siksika Nation, will be hosting corporate tree planting events on Nation land from **Thursday 10 September to Friday 25 September 2026**. These events bring funding partners into the field to plant seedlings as part of the Siksika Nation Community Shelterbelt Program, helping to support Siksika's vision for community resilience and ecological restoration.

Project Forest will have a staging site at Siksika Band Office. Planting sites will vary day-to-day but will take place in accordance with the map provided. Siksika community members are welcome to stop by and learn more about the work during this period.
